INDEPENDENT AUDITOR'S REPORT

Board of Directors
Lifelong: Health for All
Seattle, Washington

We have audited the accompanying consolidated financial statements of Lifelong: Health for All, a nonprofit corporation, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lifelong: Health for All as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lifelong: Health for All and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifelong: Health for All's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lifelong: Health for All's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifelong: Health for All's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 3, 2022, on our consideration of the Lifelong: Health for All's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Lifelong: Health for All's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lifelong: Health for All's internal control over financial reporting and compliance.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Lifelong: Health for All (Lifelong) is a 501(c)(3) not-for-profit corporation with the mission to remove barriers to health with relentless compassion so that no one faces illness and injustice alone.

Serving the Pacific Northwest for over 35 years, Lifelong believes that everyone should have a fair and equal opportunity to reach their full health potential. We seek to achieve that vision by helping people remove barriers to health arising from socio economic background, stigma, discrimination, navigation of complicated systems, language, or cultural differences. The individuals we reach are those who are the hardest to connect with and serve – homeless, chronically ill, marginalized, and poverty-stricken. The barriers they face can seem insurmountable and stop them from taking steps to improve their health conditions, sometimes putting them at risk for further health decline.

Lifelong has a unique model of care that aims to remove the hierarchy that people are often placed in when seeking supportive services. We are a client centered and directed organization and continue to adapt our services based on community priorities. Our staff work collaboratively with individuals to identify their health goals and barriers to achieving them together. This allows us to build trusting relationships with members of the community who have been alienated by structural inequities: economic status, race, age, sexual orientation, or gender identity. It incentivizes people to commit to their health goals and remain in treatment and engrains in their experience that they deserve to be healthy and thrive like everyone else.

Our food and nutrition program, Chicken Soup Brigade, which is also our largest program, provides medically vulnerable people with meals and groceries that are tailored to meet their individual health goals and medical needs. Our Registered Dietitians work with other healthcare professionals to ensure our meals and groceries support our clients' health in tandem with their medications. In addition to our food and nutrition services, Lifelong also provides medical case management, medication adherence counseling, a range of housing services including rent subsidies, employment support services, aging and disability services, and health insurance advocacy.

We serve a diverse population across Washington State with a focus on those living in Western Washington. Currently, 87% of our 7,000 clients are over the age of 45 and all are living with at least one life-challenging condition. Our clients include many immigrants, people of color, and LGBTQ individuals who collectively speak over 30 different languages including Arabic, Spanish, Mandarin, Turkish, Amharic, Oromo, Somali, Vietnamese, French, Mondli, Tigrigna, Punjabi, Urdu, and Hindi.

People eligible to receive our services live with at least one life-challenging illness, such as HIV, diabetes, heart disease, or cancers, and are within 400% of the federal poverty line.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Greater detail around our vital support services include:

- Providing medical case management to identify barriers and connect clients with programs that help provide resources to meet their basic needs, navigate the complex healthcare system and enable them to reside in their homes;
- Facilitating emergency, transitional, and permanent housing placement and coordinating homelessness prevention;
- Providing home delivered meals and groceries that are medically specific and culturally appropriate to clients living with serious chronic illnesses, including cancer, heart disease, diabetes, HIV, and end stage renal disease;
- Providing medical case management to those living with HIV to enable them to access essential social and medical resources and attain their best health;
- Conducting nutrition outreach and education, as well as skill-building courses;
- Processing and paying medical insurance premium payments;
- Establishing access to elderly and disability services so that clients are able to avoid institutionalization (e.g., nursing homes) and live with dignity in their homes;
- Performing HIV, STI, and COVID-19 testing and prevention services, along with health education;
- Offering employment case management and related services;
- Coordinating oral health care services through a network of dental providers; and
- Actively participating in state and federal policy that supports funding and advocacy for marginalized communities facing health inequity.

Lifelong relies on funding primarily from government agency grants and contributions from the general public. Lifelong also holds various fundraising events, including A Fall Feast, Dining Out for Life and other community fundraisers. In addition, Lifelong has a retail thrift store (a store that sells goods that have been donated). Lifelong is governed by an all-volunteer board of directors that is responsible for all legal, financial, and policy matters.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of Lifelong: Health for All and its wholly-owned subsidiary, Lifelong Thrift Stores, LLC. Inter-entity transactions and balances have been eliminated in consolidation. The consolidated entity is referred to as Lifelong in the notes to the consolidated financial statements.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. The net assets of Lifelong are classified as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Lifelong's board of directors has designated \$560,000 of net assets without donor restriction for future operations as of December 31, 2021 and 2020.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor restricted net assets consisted of \$40,000 for the purchase of a van and \$125,000 for operational reserves as of December 31, 2021 and 2020, respectively.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

Cash and cash equivalents

Cash and cash equivalents consist of general checking and savings accounts. Lifelong maintains its cash and cash equivalents in bank accounts that may exceed federally insured limits at times during the year. Lifelong has not experienced any losses in these accounts, and management does not believe it is exposed to any significant risk of loss.

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value measurements

In accordance with financial accounting standards, a three-tiered hierarchy of input levels is used for measuring fair value. Financial accounting standards defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Valuation techniques utilized to determine fair value are consistently applied. The three tiers of inputs used for fair value measurements are as follows:

Level 1: Fair values are based on quoted prices in active markets for identical assets and liabilities.

Level 2: Fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets.

Level 3: Fair values are calculated by the use of pricing models and/or discounted cash flow methodologies, and may require significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data.

Lifelong had no assets or liabilities carried at fair value on a recurring basis as of December 31, 2021 or 2020. Assets and liabilities carried at fair value on a nonrecurring basis using level 2 inputs generally include donated goods, facilities and services. Lifelong also uses fair value concepts to test various long-lived assets for impairment.

Grants receivable

All receivables are stated at net realizable value. Grants receivable consist of grants and contracts administered by various state and local governmental agencies. Management reviews the collectability of grants receivable on a periodic basis and determines the amount estimated to be uncollectible. A reserve for doubtful accounts is then established. Lifelong charges off receivables against the allowance when management determines that a receivable is not collectible.

Pledges and other receivables

Unconditional promises to give (pledges receivable) are recorded in the year the promise is made. Unconditional promises to give are all considered collectible within one year and are recorded at their net realizable value.

Inventory

Inventory relates to the retail thrift store and consists of donated items whose value is recorded at estimated fair value. Items received and sold during the year are recorded at their sales value.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and equipment

Property and equipment is recorded at cost, if purchased, or at fair value at date of receipt, if donated. Lifelong's policy is to capitalize assets with a cost greater than \$5,000 and a useful life greater than two years. Depreciation is provided using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are depreciated over the estimated useful lives of the assets or the anticipated lease term, whichever is shorter.

Property and equipment as of December 31 consists of the following:

	<u>2021</u>	<u>2020</u>
Equipment	\$ 1,719,847	\$ 1,366,788
Leasehold improvements	1,810,498	1,787,488
Vehicles	425,597	350,620
Capital assets - not in service	<u>26,252</u>	<u>112,528</u>
	3,982,194	3,617,424
Accumulated depreciation	<u>(2,513,941)</u>	<u>(2,129,421)</u>
	<u>\$ 1,468,253</u>	<u>\$ 1,488,003</u>

Refundable advances

Refundable advances consist of government grant funds received in advance, government grant funds received which may need to be repaid under certain circumstances, and special event donations received in advance of those special events. Revenue is recognized when the grant funds are expended or the events take place.

Support and revenue recognition

Lifelong recognizes revenue from sales at its thrift store at the time of purchase. Lifelong records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. Special event income is considered conditioned upon the occurrence of the event. As such, amounts received in advance are recorded as a liability until the event takes place. In addition, some special events include an earned revenue component as they also include admissions for entry into the event.

Lifelong recognizes contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been met.

Lifelong's federal, state and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, amounts received in advance are recorded as a liability until the conditions are met.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

At December 31, 2021, conditional contributions are as follows:

	Received in <u>advance</u>	Committed but <u>not received</u>
Conditional upon incurrence of qualified expenditure	\$ -	\$ 11,235,648
Conditioned upon provision of allowable services	-	3,973,554
Conditioned upon occurrence of special event	<u>3,500</u>	<u>-</u>
	<u>\$ 3,500</u>	<u>\$ 15,209,202</u>

Revenue from grants and contracts is subject to audits, which could result in adjustments to revenue. The adjustments are recorded at the time that such amounts can first be reasonably determined, normally upon notification by the government agency. During the years ended December 31, 2021 and 2020, any such adjustments were immaterial.

In-kind contributions

In accordance with financial accounting standards, the financial statements reflect only those donated services requiring specific expertise that Lifelong would otherwise need to purchase or donated services that enhance capital assets. Non-cash donations are recorded as contributions at their estimated fair values at the date of donation. Lifelong receives a significant amount of its support in the form of volunteer labor.

In-kind contributions consist primarily of food to be distributed to those affected by HIV or other chronic conditions and to homebound seniors. Lifelong's food services are sustained not only by government grants, but by the generous involvement of community volunteers. In-kind contributions also included \$87,005 in rent forgiveness during the year ending December 31, 2021.

Volunteer support

Lifelong had approximately 880 (unaudited) and 1,260 (unaudited) volunteers, respectively, donate approximately 24,010 (unaudited) and 20,560 (unaudited) hours of service, respectively, for the years ended December 31, 2021 and 2020. The consolidated financial statements do not reflect the value of these donated services because the services generally do not require specific expertise that Lifelong would otherwise need to purchase.

Concentrations

Revenue recorded under one contract represented 46% and 45% of fees and grants from government agencies for the years ended December 31, 2021 and 2020, respectively.

Three funders represented 81% of grant receivables at December 31, 2021. One donor represented 93% of pledges and other receivables at December 31, 2021.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Approximately 65% of Lifelong's labor force is subject to a collective bargaining agreement (CBA) through March 31, 2020. These employees are members of the Service Employees International Union, Healthcare 1199NW (SEIU). Lifelong and SEIU began active discussions in September 2020 to reach a new agreement. The negotiations have not concluded due to various factors including, but not limited to, the impact of the COVID-19 pandemic, employment market dynamics and inflation. Accordingly, Lifelong and SEIU are operating under the terms of the expired contract until a new CBA can be finalized.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Lifelong tracks expenses by both account and department in its accounting system and then summarizes it into the functional groupings above for external financial reporting. Payroll costs are based on actual time spent. Disbursements are charged to actual departments where possible and allocated at time of entry if related to multiple departments (e.g., occupancy costs).

Advertising

Advertising costs are expensed as incurred.

Federal income taxes

The Internal Revenue Service has recognized Lifelong: Health for All as exempt from federal income taxes under provision of Section 501(a) of the Internal Revenue Code as an entity described in Section 501(c)(3) and not as a private foundation.

Lifelong: Health for All operates some of its activities through Lifelong Thrift Stores, LLC. LLCs are not subject to federal income taxes at the corporation level, but pass their earnings to their members to be taxed individually on their share of LLC earnings.

NOTE B - LIQUIDITY

Lifelong's working capital and cash flows have seasonal variations during the year attributable to the annual cash receipts for grants and a concentration of contributions throughout various times of the year. To manage liquidity, Lifelong maintains a revolving balance of at least \$800,000 in various savings accounts, in addition to a line of credit of \$500,000 with a bank that is drawn upon as needed during the year to manage cash flow and is then repaid in full by the end of the fiscal year. Amounts available for use within the next year include donor-restricted amounts that are available for general expenditure. Amounts not available include amounts set aside by board designation that could be drawn upon if the board of directors approves that action.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE B - LIQUIDITY (continued)

The following reflects Lifelong's financial assets available for use within the next year as of December 31:

	<u>2021</u>	<u>2020</u>
Cash and cash equivalents	\$ 1,908,782	\$ 2,518,302
Receivables	3,888,312	3,616,950
Less: Board-designated reserves	<u>(560,000)</u>	<u>(560,000)</u>
	<u>\$ 5,237,094</u>	<u>\$ 5,575,252</u>

NOTE C - LINE OF CREDIT

In October 2014, Lifelong entered into a banking relationship with 1st Security Bank of Washington. Under the banking agreement, Lifelong has a \$500,000 line of credit that will expire on May 1, 2023. The line of credit is secured by all corporate assets. The balance at December 31, 2021 and 2020 was \$0. The line of credit bears interest at the bank's prime rate (as published in the Wall Street Journal) plus 0.75%.

NOTE D - LEASE COMMITMENTS

Lifelong leases property in Seattle, Bellevue, Bellingham, and Everett under non-cancelable operating lease agreements. In accordance with financial accounting standards, rent expense is recognized on a straight-line basis and a related deferred rent liability is recorded. Effective July 1, 2014, Lifelong has a tenant improvement allowance on a long-term space lease. This tenant improvement allowance of \$159,135 is amortized over the life of the 10-year lease, with \$15,914 recognized each year. As a result of the COVID-19 pandemic, the Thrift Store entered into an agreement with its property owner to allow some deferral of its rent obligations. The balance due for the deferred rent expense of \$83,449 as of December 31, 2021 is due in full no later than December 31, 2024. Rent expense for the years ended December 31, 2021 and 2020 totaled \$1,452,913 and \$1,146,064, respectively. Future minimum lease payments, deferred rent, and rent expense under these leases for the years ending December 31 are as follows:

	Minimum Lease Payment	Change in Deferred Rent Liability	Rent Expense
2022	\$ 1,200,781	\$ (63,719)	\$ 1,137,062
2023	1,203,129	(96,645)	1,106,484
2024	785,920	(51,454)	734,466
2025	323,895	(10,966)	312,929
2026	178,469	(9,624)	168,845
Thereafter	<u>140,679</u>	<u>(16,353)</u>	<u>124,326</u>
	<u>\$ 3,832,873</u>	<u>\$ (248,761)</u>	<u>\$ 3,584,112</u>

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE E - PAYCHECK PROTECTION PROGRAM LOANS

In April 2020, Lifelong applied for and received loan proceeds of \$1,706,863 under the Paycheck Protection Program (“PPP”). Also, in April 2020 and January 2021, the Lifelong Thrift Store applied for and received PPP loan proceeds of \$90,700 and \$90,000, respectively. The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), provides loans to qualifying organizations for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying organization. The loans and accrued interest are subject to forgiveness after 24 weeks as long as the qualifying organization uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the qualifying organization terminates employees or reduces salaries during the 24-week period.

The 2020 loans were funded for Lifelong and the Lifelong Thrift Store on April 23, 2020 and April 29, 2020, respectively, and had maturity dates of April 10, 2022 and May 10, 2022, respectively. The 2021 loan for the Lifelong Thrift Store was funded on January 25, 2021 and has a maturity date of January 25, 2023. Lifelong entered into the program with the intention of complying with the terms for forgiveness and has recognized the loans as grants, as Lifelong believes they have met the conditions for full forgiveness for both PPP loans as of December 31, 2020. On December 21, 2020, Lifelong received notice from the Small Business Administration that its Paycheck Protection Program loan was forgiven in full. Should the Small Business Administration, in its evaluation of the forgiveness application, not agree that Lifelong has met the terms for full forgiveness for the Thrift Store loan, interest at a rate of 1% will be added to the remaining amount and the first monthly payment would be due May 10, 2021. The Thrift Store was notified on March 16, 2021 and July 20, 2021, respectively that its loans were forgiven.

NOTE F - PENSION PLAN

Lifelong sponsors a defined contribution pension plan. Employer contributions to this plan are at the discretion of Lifelong and are currently 50% of employees' contributions, up to 3% of the employees' compensation. After five years of continuous employment, the employer contribution increases to 66% of employees' contributions, up to 3% of compensation. Included in personnel expenses is \$70,931 and \$67,476, respectively, of pension expense for costs relating to this plan for the years ended December 31, 2021 and 2020.

LIFELONG: HEALTH FOR ALL

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE G - SUBSEQUENT EVENTS

Management has evaluated events occurring subsequent to December 31, 2021 through May 3, 2022, which is the date the consolidated financial statements were available to be issued and has recognized in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at December 31, 2021, including the estimates inherent in the processing of financial statements.

LIFELONG: HEALTH FOR ALL

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED DECEMBER 31, 2021

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Lifelong: Health for All and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE B - INDIRECT COST RATE

Lifelong: Health for All has a negotiated indirect cost rate for use on federal grants and contracts. For January 1, 2021 through December 31, 2021, the predetermined rate was 21.65%. The rate is based on the Simplified Allocation Method. As such, Lifelong: Health for All is not eligible to elect use of the 10% *de minimis* indirect cost rate.

INDEPENDENT AUDITOR'S REPORT
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Lifelong: Health for All
Seattle, Washington

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lifelong: Health for All, which comprise the consolidated statement of financial position as of December 31, 2021 and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated May 3, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Lifelong: Health for All's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lifelong: Health for All's internal control. Accordingly, we do not express an opinion on the effectiveness of Lifelong: Health for All's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of Lifelong: Health for All's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lifelong: Health for All's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Lifelong: Health for All's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Lifelong: Health for All's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Jacobson Jarvis & Co, PLLC

Seattle, Washington

May 3, 2022

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
AS REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Lifelong: Health for All
Seattle, Washington

Report on Compliance with Each Major Federal Program
Opinion on Each Major Federal Program

We have audited Lifelong: Health for All's compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Lifelong: Health for All's major federal programs for the year ended December 31, 2021. Lifelong: Health for All's major federal programs are identified in the summary of audit results section of the accompanying schedule of findings and questioned costs.

In our opinion, Lifelong: Health for All complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Lifelong: Health for All and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Lifelong: Health for All's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Lifelong: Health for All's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Lifelong: Health for All's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Lifelong: Health for All's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Lifelong: Health for All's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Lifelong: Health for All's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Lifelong: Health for All's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Jacobson Jarvis & Co, PLLC
